DESILIGAR

Ligue os fones de ouvido e ligue o Bluetooth.

Selecone "T10-R" ou "T10-L" para conectar.

Aguarde 2-10s e você verá um pop-up "Solicitação de emparelhamento Bluetooth" e clique em "Emparelhar" ou "OK" para confirmar.

[Se você não clicar em "Parear" ou "OK", você não tem permissão para usar o "Modo Mono".]

PAREIE OS FONES DE OUVIDO COM SEU TELEFONE

MODOS DE EFEITO DE SOM

Existem dois modos de efeito de som diferentes no T10: normal e com reforço de graves. O modo de efeito sonoro normal é para quem prefere um som com médios e agudos mais brilhantes. O modo bass boosted é para aqueles que preferem um som quente e pesado.

Nota: Você não pode alternar os modos de efeito de som se os fones de ouvido estiverem no modo mono.

Not: Made in China
PAIR THE EARBUDS WITH YOUR PHONE

1. Power on the earbuds and turn on Bluetooth.

FAQ

Q: Is there latency when watching video from laptop or mobile phone?

A: (1) It depends not only on the earbuds, but also the laptop, mobile phone, and the apps. □ (2) With the latest Bluetooth 5.0 and high sensitivity antenna, the latency is hardly noticed on iOS devices, such as iPhone and iPad. (3) For Android and Windows devices, the latency may be noticed when using some apps, but can hardly be noticed while watching videos on YouTube.

Q: Why my earbuds don’t power on/off automatically?

A: The earbuds would not power off automatically when the case is at low power or out of power. Please recharge the case. And you can long press for three seconds to power on and long press for four seconds to power off the earbuds.

Q: Why does signal interruption occur in some places, such as along railway, in airport?

A: There’re usually lots of cables underlying in the places mentioned above, so are more likely to produce electromagnetic interference and result in the signal interruption. And if you are using a Bluetooth mouse while connecting the earbuds to your PC, it may have signal interference. If the earbuds cuts in and out frequently during routine use, you may have a defective item. Please contact us. We do our best to respond to all inquiries within 12 hours.

Q: My earbuds don’t charge, what can I do?

A: Please try follow below steps: 1. Clean the charging slot on charging case. 2. Clean the charging connector on earbuds.
